Health check action plan session

This is an interactive stand-alone interactive question and answer session designed to identify preventive maintenance (and other) issues and to offer advice on how to remedy those issues. A FREE comprehensive booklet 'Health Check Action Plan - A practical guide for an efficient and effective computer' (26, A4 pages) which contains a wealth of information on preventive maintenance and an action plan checklist is included in this session. A special discount of 10% off the above rate is given for up to one hour.
